

Buildings & spaces

We're looking at how and when we can safely reopen some of our buildings to provide study space and limited services.

- All library buildings require face coverings, [per campus policy](#).
- The [Albert B. Weaver Science-Engineering Library](#) is open to UA students, faculty, and staff Sunday-Thursday 9am-9pm, and Friday - Saturday 9am-5pm.
- The Main Library lobby is open Sunday-Thursday, 10am-4pm for pickups and returns. The rest of the Main Library building is closed.
- The Health Sciences Library is open to UA Health Sciences affiliates every day, 6:30am – 12:00am. See [guidelines for using the Health Sciences Library](#).
- Special Collections, the CATalyst Studios in the Main Library, and the Fine Arts Library will remain closed for the fall semester. If you need access to collections or assistance, [Special Collections](#) and [CATalyst Studios](#) are providing virtual assistance. Materials from the Fine Arts Library can be requested through [express retrieval](#).
