

Health Sciences Library Guidelines

- Employees, students, and visitors **must use face coverings** in all UArizona locations, both indoors and outdoors, including in study rooms, in accordance with UArizona's Administrative Directive and the [Dean of Students Face Covering Compliance Guidelines](#).
- We strongly encourage individuals to [reserve a study room](#) prior to arrival.
- We encourage users to bring their own electronic devices, including chargers, cables, and peripherals.
- Users will refrain from entering the building if you're ill or believe you may be getting ill.
- Children under 18 won't be permitted in the facility.
- Users will observe social distancing, 6-foot separation or better.
- Hand sanitizer stations will be available.
- Study rooms and tables will have a maximum occupancy of one (1).
- Users won't move furnishings, placed to reinforce social distancing.
- Users will clean the areas where you work (study, read, etc.) before and after use.
- Staff recommends that you bring your own personal cleaning supplies, but cleaning supplies will be provided in designated areas.
- Users will exit by midnight so that custodial staff may clean.
- For “talk to a person” assistance, please call (520) 626-6125.
