

Technology resources, checkout & return

- Enrolled students can borrow and pick up technology (including laptops, video cameras, projectors, and cords) from 10am-2pm Sunday-Thursday in the Main Library lobby on a first-come, first-served basis.
 - ❖ Students can also schedule an appointment with us by contacting library@arizona.edu if these hours aren't convenient.
 - ❖ The Main Library will auto-renew eligible equipment if you're an enrolled student and email you when it's time to return your equipment.
- [Check for available technology.](#)
- Take a look at other [campus IT resources](#), including [remote UAWiFi hotspots](#) and [software options](#)
- Office of Student Computing Resources, open access labs: <https://oscr.arizona.edu/node/56>.
- [VCAT](#): VCAT offers specialized software that you may normally access in an OSCRC computer lab on main campus. Numerous software applications you can use virtually through your internet connection. The link directly to VCAT is: <https://arizona.apporto.com/>.
- Free and low-cost software you can install on your computer, including Microsoft Office 365, Adobe Creative Cloud, Zoom, and more: <https://softwarelicense.arizona.edu/students>.
- [Online Software Support](#): OSCRC consultants are available via Zoom session to assist and guide you on how to use software to finish your projects. Adobe Creative Cloud, SolidWorks, other multimedia software, Office 365 applications, and more.
- University faculty and staff can contact [Gear-to-Go](#) to reserve equipment for instructional use such as webcams, monitors, laptops, mobile hotspots, and digital cameras.
